Higher Studies in UK

About Vingsabroad

Vingsabroad is promoted by Frontier Educare Pvt. Ltd., we are a non-profit organisation, an eclectic conglomerate of former U.S. graduates, which helps students in finding the right university, right destination, right country, right profile – we pamper and pander to the choices of the students.

We are aptly an "AntiConsultants" team who make students independent of agents and middlemen.

Why Vingsabroad?

We are shades ahead from other overseas educational consultants. We have good grip on various aspects of international education and living. Our advice and guidance make the admission process easier and less time consuming. Our team selects the Universities considering the below mentioned factors:

- 🌐 University Ranking
- 🌐 Department Ranking
- 🌐 Student Faculty Ratio
- 🌐 Scholarship
- 🌐 Assistantship
- 🌐 Part-time Jobs
- 🌐 Visa Success Rate
- 🌐 Crime Rate
- 🌐 Climate Conditions
- 🌐 Local Community

Free Services

We offer students an entire spectrum of services which are absolutely free of cost, that go a long way towards smoothening their passage for studying abroad. Our experience and in-depth knowledge of this field have enabled us to fine tune our services to meet the needs of students more effectively.

We offer personalized services from professional Career Advisors

We have more competent team to render professional services. Our career advisors are knowledgeable and trained to meet the benchmark set by the company for providing best guidance to the students.
